

Asperger's Community Social Group

The Autism Society of the Black Hills is pleased to announce registration for our winter 2010 Asperger's Community Social Group! We will accept registrations from those with an Asperger's diagnosis ages 10 & up. The group will have classroom social skills training, then take their learned skills and transfer them into real social situations in the community. Once registration is closed, we will divide into 2 groups according to age if necessary.

Send an e-mail to info@autismsd.org to request a registration form. Contact Dennis Hanken @ 721-5533 or 484-8408 for more information.
